

Marine & Offshore

Certificate number: SMS.W.II./90797/C.0

www.veristar.com

RECOGNITION FOR BV MODE II SCHEME

Remerij Oilfield Services B.V.
EMMEN - NETHERLANDS

Summary of the range of the recognition which is detailed in the subsequent page(s):

Processes and services used relating to periodic maintenance of products in accordance with "RS01 - Remerij Test standard for temporary Pipework Testing".

Test standard is applicable to temporary pipework (also known as):

- Control Equipment
- Treating Iron
- Wellhead and Christmas Tree equipment

This certificate is issued to attest that Bureau Veritas Marine & Offshore has performed, at the above company's request and in compliance with the requirements of NR320, a satisfactory assessment of the manufacturing facilities and associated quality procedures related to the range of the recognition.

This certificate will expire on: 10 Oct 2024

For BUREAU VERITAS,

At BV GRONINGEN, on 28 Oct 2020,

John Mondt

This certificate remains valid until the date stated above, unless cancelled or revoked, provided the conditions indicated in the subsequent page(s) are complied with. This certificate is issued within the scope of the General Conditions of Bureau Veritas Marine & Offshore available on the internet site www.veristar.com. Any Person not a party to the contract pursuant to which this document is delivered may not assert a claim against Bureau Veritas Marine & Offshore for any liability arising out of errors or omissions which may be contained in said document, or for errors of judgement, fault or negligence committed by personnel of the Society or of its Agents in establishment or issuance of this document, and in connection with any activities for which it may provide.

THE SCHEDULE OF RECOGNITION

1. RANGE OF THE RECOGNITION
